

Are you suffering from memory loss related to Alzheimer's Disease?

ActivMed Practices & Research is looking for volunteers to participate in a research study for memory loss related to Alzheimer's Disease.

Are you 50-90 years old? Are you experiencing memory loss and forgetfulness? You may qualify for this research study. Study related office visits, tests and assessments are provided at no cost to those who qualify and participate. If you qualify and choose to participate, you may receive compensation for travel expenses.
